

Desert Safari

There is no better place to explore the wonders of the sands than a trip to the Inland Sea or Khor Al Udeid as it is locally known. Here Qatar's two prime identity elements – sea and sand – co-exist with each other.

Our desert safari starts with an 85-km trip from Doha to our camp on the Inland Sea in our specially conditioned 4WDs. Professionally qualified desert drivers will introduce you to the art of dune bashing. Traditional Qatari tents furnished with carpets, cushions and mattresses; tables, chairs and shades; and clean bathroom amenities with shower facilities will combinely ensure a highly comfortable stay for you and your family on the golden sands.
